

CAPABILITY STATEMENT 2022

"NEXT GEN PRODUCTIVITY & PROFITABILITY"

F&E Aircraft Maintenance is an FAA Part 145 certified aircraft repair station engaged in maintenance, preventive maintenance, inspection, and alteration. F&E holds EASA, DCA, DGAC, MLTM, TCCA, JCAB, and CAA certifications.

CORPORATE OVERVIEW

F&E is known as a skilled aircraft first-responder that maintains a diverse team of highly-skilled AMTs who perform maintenance on a variety of aircraft to the absolute highest standards in aviation, adhering to manufacturer specifications and strict safety standards. Each year we undergo rigorous inspections, audits and reviews to retain our elite certification.
